

OC 2022 Affinity Circles

Opportunity Collaboration intentionally brings together leaders working on a diverse array of poverty solutions, crossing sectors, geographies, and other professional silos so Delegates can learn from each other's successes and challenges around the globe. Of course, Delegates also appreciate time to meet others working in the same way (ROLE), on the same issues (Sustainable Development Goal) and/or in the same geographies (REGION). This is your chance!

If you are interested in joining an Affinity Circle, please reach out directly to the Delegate(s) listed below, introduce yourself and share why you are interested in joining this particular Affinity Circle.
