

OC2023 Affinity Circles

Opportunity Collaboration intentionally brings together leaders working on a diverse array of poverty solutions, crossing sectors, geographies, and other professional silos so Delegates can learn from each other's successes and challenges around the globe. Of course, Delegates also appreciate time to meet others working in the same way (ROLE), on the same issues (IMPACT GOALS), in the same geographies (REGION), and/or around the same identity. This is your chance!

All Affinity Circles will meet virtually in advance of OC's flagship in-person gathering, as well as several times on-site. If you are interested in joining an Affinity Circle, refer to the OC2023 Agenda for the various places and times each Affinity Circle will be meeting. Also feel free to reach out directly to the Delegate(s) listed below, introduce yourself and share why you are interested in joining this particular Affinity Circle.
